Forecast for Saturday 27 Aug 2022

Weather: Patchy rain or showers largely dying out overnight with clear spells developing, some patchy hill fog persisting over western fells. Then a bright day with some good spells of sunshine around, especially through the afternoon and early evening, with perhaps an isolated light shower in the late morning/early afternoon.

Chance of cloud-free hill tops above 800m: Around 30% over far western fells till mid-morning and 60% elsewhere, becoming close to 90% by midday.

Low cloud and visibility: Periods cloud above 450m at first in far west and more occasional cloud above 600m elsewhere lifting and breaking through the morning to leave only small amounts of cloud below the summits. Otherwise visibility very good.
